make your church kitchen  
easy to use  
...economical

WITH EQUIPMENT BY

# PIX

Dinners, luncheons and "refreshments" play an increasingly important part in the social and financial life of the church.

Your church social and fund-raising groups will appreciate the convenience and economy of a kitchen designed, built and installed by PIX.

PIX engineers have a wealth of experience in supplying the right food service facilities for schools, institutions and industry. Let this experience work for you in building your new church or remodeling the old one. Provide the right kitchen for your church's needs by insisting on a kitchen by PIX. Ask your building committee to submit its kitchen problems to Dept. Y.

## NEW CAROLS AND SONGS FOR CHILDREN

by  
WILLIAM GRIME

Rector of Saint Paul's Episcopal Church, Great Neck, N. Y.

"These songs and carols will not only instill in the minds of little children some of the great lessons of Christianity but are sure to develop devout and prayerful habits."—Bishop DeWolfe, Long Island

"This book is a real contribution in an area where much needs to be done. It will have a very wide reception throughout the Church."—Dr. John Heuss, Chairman of Dept. of Christian Education

"This book should bring new reality and meanings to the Christian faith for all the children who use it. The illustrations by Don Kelly add attractiveness."—Bishop Lawrence, Western Mass.

"This book has values for any Christian Church. The illustrations will instantly catch a child's interest. The tunes are most melodic and the words are filled with simplicity and flashes of true spiritual insight."—Dean Louis J. Sherrill, Kentucky

"Many Church Schools, I am sure, will appreciate what you have done to make worship for young children an enjoyable and comprehensible experience."—Bishop Donegan, Coadjutor of New York
